**Pacific First Mortgage Fund
Directors' report
30 June 2018**

The Directors of Trilogy Funds Management Limited (Responsible Entity), the Responsible Entity of the Pacific First Mortgage Fund (Scheme), present their report together with the financial statements of the Scheme for the year ended 30 June 2018.

Responsible Entity

The Responsible Entity is incorporated and domiciled in Australia. The registered office and principal place of business of the Responsible Entity and the Scheme is Level 23, 10 Eagle Street, Brisbane, QLD, 4000.

Directors

The names of the directors in office at any time during, or since the end of the financial year are:

<i>Name and qualifications</i>	<i>Age</i>	<i>Experience and special responsibilities</i>
Robert M Willcocks Independent Non-Executive Chairman BA, LL.B, LL.M	69	Member of the Audit, Compliance and Risk Management Committee Former partner with Mallesons Stephen Jaques (now King & Wood Mallesons) Mr Willcocks has been a non-executive director (sometimes Chairman) of a number of listed public companies and is currently such a director of three such companies Chairman - Responsible Entity since 9 October 2009
Rodger I Bacon Executive Deputy Chairman BCom(Merit), AICD, SFFin	72	Member of the Audit, Compliance and Risk Management Committee Former executive director of Challenger International Limited Mr Bacon is a former director of several public and private companies including, Financial Services Institute of Australasia. Director – Responsible Entity since 9 July 2004
John C Barry Executive Director BA, FCA	66	Chairman of the Audit, Compliance and Risk Management Committee Former executive director of Challenger International Limited Mr Barry is a director of several public and private companies, including Chairman of Westpac RE Limited Director – Responsible Entity since 9 July 2004
Philip A Ryan Executive Director and Company Secretary LL.B, Grad Dip Leg Prac, FTIA, FFIN	57	Member of the Compliance Committee Mr Ryan is a solicitor and member of the Queensland Law Society Inc. Former partner of a Brisbane law firm Mr Ryan is a director of several private companies Director – Responsible Entity since 13 October 1997
Rohan C Butcher Non-Executive Director Grad Dip PM, BASc(QS), Registered Builder, Licensed Real Estate Agent	48	Member of the Audit, Compliance and Risk Management Committee Member of the Lending Committee Consultant to several major public and private companies providing development management services Director – Responsible Entity since 29 July 2008

Pacific First Mortgage Fund
Directors' report
30 June 2018

Principal activities

The Scheme is a registered managed investment scheme domiciled in Australia. Following the sale of the last remaining security property held by the Scheme over its mortgage loans in May 2015, the Scheme's principal activity during the financial year has been to continue with the realisation of remaining Scheme assets while the ongoing litigation involving the Scheme is resolved (refer Litigation and contingent liabilities section below). The Scheme did not have any employees during the year.

Review of operations and results

The net loss attributable to unitholders for the year ended 30 June 2018 totalled \$190,847 (2017: profit \$3,795,330). The loss for the year is primarily attributable to costs associated with litigation matters involving the Scheme.

Total assets of the Scheme totalled \$18,813,213 as at 30 June 2018 (2017: \$19,110,311). The Scheme's total asset position will continue to reduce as the litigation matters detailed in the Litigation and contingent liabilities section below are finalised and net Scheme assets are returned to unitholders.

Income distributions to unitholders were suspended by the Directors of City Pacific Limited (Former Responsible Entity), the previous responsible entity of the Scheme, in July 2008. Consequently no income distributions were paid or payable to unitholders during the financial year (2017: nil).

Hardship policy

The Responsible Entity suspended the Scheme's ASIC approved hardship policy and as a result no hardship payments were made during the year, nor were any units redeemed (2017: nil).

Non-liquid Scheme

The Directors of the Former Responsible Entity resolved on 13 October 2008 that the Scheme was a non-liquid registered managed investment scheme in accordance with the Constitution and the Corporations Act 2001.

No return of capital payments to unitholders were processed during the year by the Responsible Entity (2017: nil).

Units on issue

During the year no units were issued (2017: nil), or redeemed from the Scheme (2017: nil). The Scheme had 879,122,759 units on issue as at 30 June 2018 (2017: 879,122,759).

Litigation recovery right (LRR)

All unitholders were issued a LRR, for nil value, for each ordinary unit held in the Scheme on 15 March 2011. The LRR is a separate and transferrable entitlement that has been created to ensure all unitholders retain the right to their pro rata share of any net proceeds, after allowing for any costs borne by the ordinary unitholders, resulting from successful litigation undertaken. The Scheme had on issue 887,040,412 LRR units as at 30 June 2018 (2017: 887,040,412), and no further LRR units were issued during the year (2017: nil), nor were any redeemed (2017: nil).

Indirect cost ratio (ICR)

The ICR is the ratio of the Scheme's management costs over the Scheme's average net assets for the year, expressed as a percentage.

The ICR for the Scheme for the year ended 30 June 2018 is 3.99% p.a. (2017: 5.25% p.a.).

Pacific First Mortgage Fund
Directors' report
30 June 2018

Review of operations and results (continued)

Interests of the Responsible Entity

The following fees were paid to the Responsible Entity and its associates out of the Scheme property during the financial year (refer Note 12(c)).

	2018	2017
	\$	\$
<i>Expenses</i>		
Responsible Entity management fees - gross (i)	-	-
	291,319	228,204
Expenses reimbursed (iii)	388,253	451,882
	679,572	680,086

(i) The Responsible Entity is entitled to a management fee of 1.50% p.a. (plus GST less RITC) calculated on the monthly gross asset value of the Scheme.

(ii) The Responsible Entity incurs costs on behalf of the Scheme for which it is reimbursed in accordance with the Constitution.

The Responsible Entity (including its associates) does not hold any units in the Scheme as at 30 June 2018 (2017: nil).

Significant changes in the state of affairs

In the opinion of the Responsible Entity there were no significant changes in the state of affairs of the Scheme that occurred during the period.

Events subsequent to the end of the reporting year

Return of Capital

The Responsible Entity processed a return of capital to all ordinary unit holders who held units on 6 July 2018 in the amount of \$0.005 per unit.

Other than the item noted above and those described in the Litigation and contingent liabilities section below, there has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely, in the opinion of the Responsible Entity, to affect significantly the operations of the Scheme, the results of those operations, or the state of affairs of the Scheme, in future financial years.

Litigation and contingent liabilities

Claim against former directors and officers of City Pacific Limited

As detailed in the 30 June 2016 annual financial report and the subsequent 30 June 2017 annual financial report, the Responsible Entity has pursued a claim against former credit committee members and directors of the Former Responsible Entity, namely Messrs Sullivan, Swan, Donaldson and McCormick.

Following the decision of the court in favour of the Scheme on 18 December 2015, the Former Directors of City Pacific Limited lodged a Notice of Appeal on 16 March 2016.

The appeal was heard on 14-16 November 2016 before the Full Court of the Federal Court of Australia, comprising Chief Justice Allsop, Justice Farrell and Justice Gleeson. On 25 September 2017 the Court dismissed the appeal in favour of the Scheme. The Appellants (apart from McCormick) then sought leave to appeal to the High Court of Australia. That application for leave was ultimately refused by the High Court of Australia in favour of the Scheme.

Pacific First Mortgage Fund
Directors' report
30 June 2018

Litigation and contingent liabilities (continued)

Subsequent bankruptcy proceedings

Stephen McCormick (now a resident of New Zealand) is now bankrupt and his affairs are being administered by the Insolvency Trustees NZ. The date of the petition for bankruptcy was 24 October 2017 and the amount of the proof of debt lodged by the Scheme was \$70,814,202.

Thomas Swan is now bankrupt, and his affairs are being administered by Gerald Collins (BDO). The date of his administration was 3 April 2018 and the amount of the proof of debt lodged by the Scheme was \$17,480,240.

The estate of Ian Donaldson (dec'd) is now bankrupt and his affairs are being administered by Gerald Collins (BDO). The date of his administration is 4 July 2018 and the amount of the proof of debt lodged by the Scheme was \$17,545,942.

Philip Sullivan is now bankrupt, following a creditors meeting on 19 September 2018 Messrs Jason Cronin and Terry van de Velde of SV Partners were appointed trustees of his estate. The trustees have indicated their intention to investigate certain transactions of the bankrupt for which the Scheme as major creditor will provide funding to assist. The date of his administration is 18 June 2018 and the amount of the proof of debt lodged by the Scheme was \$79,044,797.

Other proceedings

While the Responsible Entity has not been served with new proceedings during the year in relation to the Scheme, directors note that litigation may still arise, particularly from interests associated with former directors of City Pacific Limited and also former borrowers of the Scheme.

Likely developments and expected results of operations

As the Scheme's remaining mortgage security properties have now been sold it is the intention of the Responsible Entity to return the net proceeds to unitholders. The ability to return further capital to unitholders is contingent upon the outcome of the litigation currently involving the Scheme (refer Litigation and contingent liabilities section above), and the cost of enforcing any favourable judgements received by the Scheme.

The Responsible Entity has reviewed the Scheme's position and will not distribute any further funds as a safeguard against the potential costs (including adverse costs), that could arise from the litigation. Once the litigation is finalised additional funds will be distributed, less funds deemed necessary to cover the recovery of litigation proceeds due to the Scheme and operating costs.

Environmental regulation

The operations of the Scheme are not subject to any particular or significant environmental regulation under a law of the Commonwealth or of a State or Territory. There have been no known significant breaches of any other environmental requirements applicable to the Scheme.

Options

No options were:

- (i) Granted over unissued units in the Scheme during or since the end of the financial year; or
- (ii) Granted to the Responsible Entity.

No unissued units in the Scheme were under option as at the date on which this report is made.

No units were issued in the Scheme during or since the end of the financial year as a result of the exercise of an option over unissued units in the Scheme.

**Pacific First Mortgage Fund
Directors' report
30 June 2018**

Indemnification of officers

Indemnification

Under the Scheme constitution the Responsible Entity is required to indemnify all current and former officers of the Responsible Entity (but not including auditors) out of the property of the Responsible Entity against:

- (a) any liability for costs and expenses which may be incurred by that person in defending civil or criminal proceedings in which judgement is given in that person's favour, or in which the person is acquitted, or in the connection with an application in relation to any such proceedings in which the court grants relief to the person under the Corporations Act 2001; and
- (b) a liability incurred by the person, as an officer of the Responsible Entity or of a related body corporate, to another person (other than the Responsible Entity or a related body corporate) unless the liability arises out of conduct involving a lack of good faith.

Insurance premiums

During the financial year, the Responsible Entity paid an insurance premium in respect of a contract insuring each of the officers of the Responsible Entity. The amount of the premium is, under the terms of the insurance contract, confidential. The liabilities insured include costs and expenses that may be incurred in defending civil or criminal proceedings that may be brought against the officers in their capacity as officers of the Responsible Entity or related body corporates. This insurance premium does not cover auditors. The Scheme has not indemnified any auditor of the Scheme.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out on page 6.

This report is made in accordance with a resolution of the Directors of the Responsible Entity.

**DECLARATION OF INDEPENDENCE BY P A GALLAGHER TO THE DIRECTORS OF TRILOGY FUNDS
MANAGEMENT LIMITED AS RESPONSIBLE ENTITY FOR PACIFIC FIRST MORTGAGE FUND**

As lead auditor of Pacific First Mortgage Fund for the year ended 30 June 2018, I declare that, to the best of my knowledge and belief, there have been:

1. No contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit; and
2. No contraventions of any applicable code of professional conduct in relation to the audit.

Pacific First Mortgage Fund
Notes to the financial statements
30 June 2018

Note 1 Reporting entity

Pacific First Mortgage Fund (Scheme) is a registered managed investment scheme under the Corporations Act 2001 (Act). The financial statements of the Scheme are for the year ended 30 June 2018, and have been prepared on a wind-up basis rather than on a going concern basis. Under the wind-up basis of reporting, assets and liabilities are presented in decreasing order of liquidity and are not distinguished between current and non-current. The Scheme is a for-profit entity.

The Scheme was constituted on 23 June 1998 and will terminate on 23 June 2078, unless terminated in accordance with the Scheme's Constitution. At this time, the Scheme is to realise all assets and satisfy all liabilities, with surplus funds being distributed to unitholders.

Note 2 Basis of preparation

(a) Statement of compliance

The remaining mortgage loans held by the Scheme were realised during the financial year ended 30 June 2015. As a result, it is the intention of Trilogy Funds Management Limited (Responsible Entity) to wind-up the Scheme once all standing consequences of litigation have been resolved (refer Note 15).

The financial statements are a general purpose financial report which has been prepared in accordance with Australian Accounting Standards including Australian Accounting Interpretations adopted by the Australian Accounting Standards Board and the Act. The financial statements of the Scheme comply with International Financial Reporting Standards and interpretations in their entirety.

In adopting the wind-up basis of reporting, the assets are stated at their anticipated settlement amounts. The estimated net residual value of the asset represents the Responsible Entity's best estimate of the recoverable value of assets, net of selling expenses. Given the uncertainties in valuing assets on a wind-up basis, it is likely that the valuation of assets included in these financial statements may differ from actual values on

The financial statements were approved by the Board of Directors of Trilogy Funds Management Limited on 27 September 2018.

(b) Functional and presentation currency

These financial statements are presented in Australian dollars, which is the Scheme's functional currency.

(c) Key assumptions and sources of estimation

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognised are disclosed in:

- Note 13(a): Financial risk management (credit risk)

Note 3 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements. The Scheme has not early adopted any accounting standard.

Note 3 Significant accounting policies (continued)

(a) Financial instruments

(i) Classification

Investments and financial assets in the scope of *AASB 139 Financial Instruments: Recognition and Measurement* are categorised as either financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments, or available-for-sale financial assets. The classification depends on the purpose for which the investments were acquired or originated. Designation is re-evaluated at each reporting date, but there are restrictions on reclassifying to other categories.

(ii) Recognition

The Scheme recognises financial assets and financial liabilities on the date it becomes a party to the contractual provisions of the instrument.

Financial assets are recognised using trade date accounting. From this date any gains and losses arising from changes in fair value of the financial assets or financial liabilities are recorded.

(iii) Measurement

Financial instruments are measured initially at fair value plus transaction costs. Transaction costs on financial assets and financial liabilities are amortised over the life of the asset or liability using the effective interest method.

Loans and receivables are financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are recognised initially at fair value plus any directly attributable transaction costs. Financial assets classified as loans and receivables subsequently are carried at amortised cost using the effective interest rate method, less impairment losses, if any.

Financial liabilities, other than those at fair value through profit or loss, are measured at amortised cost using the effective interest rate.

(iv) Impairments

Financial assets, other than those at fair value through profit or loss, are assessed for indicators of impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

An impairment loss in respect of a receivable carried at amortised cost is reversed if the subsequent increase in recoverable amount can be related objectively to an event occurring after the impairment loss was

(v) Derecognition

The Scheme derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition in accordance with *AASB 139 Financial instruments: Recognition and Measurement*.

The Scheme uses the weighted average method to determine realised gains and losses on derecognition of financial assets.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

(vi) Specific instruments - cash and cash equivalents

Cash comprises current deposits with banks. Cash equivalents are short-term highly liquid investments that are readily convertible to known amounts of cash, are subject to an insignificant risk of changes in value, and are held for the purpose of meeting short-term cash commitments rather than for investment or other purposes.

Note 3 Significant accounting policies (continued)

(b) Revenue and income recognition

Revenue is recognised and measured at the fair value of the consideration received or receivable to the extent it is probable that the economic benefits will flow to the Scheme and the revenue can be reliably measured. The following specific recognition criteria must also be met before income is recognised.

(i) Interest revenue - mortgage loans and interest revenue

Revenue is recognised as the interest accrues (using the effective interest rate method) to the net carrying amount of the financial asset. All revenue is stated net of the amount of goods and services tax (GST).

(ii) Changes in the fair value of investments

Net gains or losses on investments held for trading or designated as at fair value through profit or loss are calculated as the difference between the fair value at sale, or at year end, and the fair value at the previous valuation point. This includes both realised and unrealised gains and losses, but does not include interest or dividend revenue.

(c) Expenses

All expenses, including management fees, are recognised in the statement of profit or loss and other comprehensive income on an accruals basis.

(d) Taxation

Under current legislation the Scheme is not subject to income tax as its taxable income including assessable realised capital gains is distributed in full to the unitholders. The Scheme fully distributes its distributable income, calculated in accordance with the Scheme's constitution and applicable taxation legislation, to the unitholders who are presently entitled to the income under the constitution.

Financial instruments held at fair value may include unrealised capital gains. Should such a gain be realised that portion of the gain that is subject to capital gains tax will be distributed so that the Scheme is not subject to capital gains tax.

Realised capital losses are not distributed to unitholders but are retained in the Scheme to be offset against any future realised capital gains. If realised capital gains exceeds realised capital losses the excess is distributed to the unitholders.

(e) Unit prices

The unit price is based on unit price accounting outlined in the Scheme's Constitution and Product Disclosure Statement (PDS).

(f) Terms and conditions of units on issue

Each unit confers upon the unitholder an equal interest in the Scheme and is of equal value. A unit does not confer an interest in any particular asset or investment of the Scheme. Unitholders have various rights under the Constitution and the Corporations Act 2001, including the right to:

- have their units redeemed;
- receive income and capital distributions;
- attend and vote at meetings of unitholders; and
- participate in the termination and winding up of the Scheme.

The Scheme is not required to complete a statement of changes in equity as all unitholder funds have been classified as a financial liability.

Note 3 Significant accounting policies (continued)

(g) Increase/decrease in net assets attributable to unitholders

Non-distributable income is transferred directly to net assets attributable to unitholders. This balance represents unrealised gains and losses due to the change in the fair value of investments. These gains and losses have been recognised in the statement of profit or loss and other comprehensive income in either the current or a previous period, and have not been distributed to unitholders.

Once the gains and losses have been realised, these items are distributed to unitholders. Income recognition differences consist of accrued income not yet assessable, expenses provided or accrued which are not yet deductible, net capital losses and tax free or tax deferred income.

(h) Issued units

Ordinary units

Units issued to unitholders represent a right to an individual share in the Scheme and does not extend to a right to the underlying assets of the Scheme.

Litigation recovery right (LRR)

The LRR is a separate and transferrable entitlement that has been created to ensure all unitholders retain the right to their pro rata share of any net proceeds resulting from successful litigation undertaken.

(i) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of assets that necessarily take a substantial period of time to prepare for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in the profit or loss in the period in which they are incurred.

(j) Trade and other receivables

Receivables are recorded at amortised cost less impairment and may include amounts for distributions and interest. Distributions are accrued when the right to receive payment is established. Interest is accrued at the reporting date from the time of last payment. Amounts are generally received within 30 days of being recorded as receivables.

(k) Goods and services tax

Rental income, management fees, custody fees and other expenses are recognised net of the amount of GST recoverable from the Australian Taxation Office (ATO) as a reduced input tax credit (RITC).

Payables are stated with the amount of GST included.

The GST recoverable from the ATO is included in trade and other receivables, while GST payable to the ATO is included in trade and other payables, both of which are presented in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis.

(l) Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Scheme during the reporting period, which remains unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Note 3 Significant accounting policies (continued)

(m) Impairment of non-financial assets

At the end of each reporting period, the Responsible Entity assesses whether there is any indication that an asset may be impaired. The assessment will include considering external and internal sources of information. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset to its carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of profit or loss and other comprehensive income.

Where it is not possible to estimate the recoverable amount of an individual asset, the Responsible Entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

(n) Comparative figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current year.

(o) New standards and interpretations not yet adopted

Certain new Accounting Standards and Interpretations have been published that are not mandatory for 30 June 2018 reporting periods and have not been early adopted by the Scheme. The Scheme's assessment of the impact of these new Standards and Interpretations is set out below.

(i) AASB 9 *Financial Instruments* (Dec 2014)

Nature of change AASB 9 addresses the classification, measurement and derecognition of financial assets and financial liabilities, introduces new rules for hedge accounting and a new impairment model for financial assets.

Application date Must be applied for financial years commencing on or after 1 July 2018.

Impact to the Scheme AASB 9 may have a potential increase in the Scheme's loans and advances provisioning, and the new standard also introduces expanded disclosure requirements and changes in presentation which may change the nature and extent of the Trust's disclosures about its financial instruments particularly in the year of the adoption of the new standard. The adoption of the new standard will not have a material impact to the Trust.

(ii) AASB 15 *Revenue from Contracts with Customers*

Nature of change The Standard contains a single model that applies to contracts with customers and two approaches to recognising revenue: at a point in time or over time. The model features a contract-based five-step analysis of transactions to determine whether, how much and when revenue is recognised.

Application date Mandatory for financial years commencing on or after 1 July 2018. The Scheme intends to adopt the standard using the modified retrospective approach which means that the cumulative impact of the adoption, if any, will be recognised in retained earnings as of 1 July 2018 and that comparatives will not be restated.

Impact to the Scheme The adoption of the new standard will not have a material impact to the Trust.

Pacific First Mortgage Fund
Notes to the financial statements

Cents per unit as at 30 June		\$ 0.0200	\$ 0.0245

Units in the Scheme entitle the unitholder to participate in distributions and proceeds on the winding up of the Scheme in proportion to the number of units held.

On a show of hands each unitholder present at a meeting in person or by proxy is entitled to one vote, and on a poll each member has one vote for each dollar of the value of the total units they have in the Scheme.

Litigation recovery right (LRR)

All unitholders were issued a LRR, for nil value, for each ordinary unit held in the Scheme on 15 March 2011. The LRR is a separate and transferrable entitlement that has been created to ensure all unitholders retain the right to their pro rata share of any net proceeds, after allowing for any costs borne by the ordinary unitholders, resulting from successful litigation undertaken. The Scheme had on issue 887,040,412 LRR units as at 30 June 2018 (2017: 887,040,412), and no further LRR units were issued during the year (2017: nil), nor were any redeemed (2017: nil).

Note 12 Related party transactions

(a) Responsible Entity

The Responsible Entity of the Pacific First Mortgage Fund is Trilogy Funds Management Limited ABN 59 080 383 679. City Pacific Limited ceased to act as Responsible Entity of the Scheme on 7 July 2009.

(b) Key management personnel

The Scheme does not employ personnel in its own right. However it is required to have an incorporated Responsible Entity to manage the activities of the Scheme. The Executive Directors of the Responsible Entity are key personnel of that entity and their names are Rodger I Bacon, John C Barry and Philip A Ryan. The Responsible Entity also has two Non-Executive Directors being Robert M Willcocks and Rohan C Butcher.

The Responsible Entity is entitled to a management fee which is calculated as a proportion of total gross assets of the Scheme.

No compensation is paid to the Directors of the Responsible Entity or to the key personnel of the Responsible Entity by the Scheme.

(c) Transactions with related parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

The following transactions occurred with related parties:

i. Transactions recorded in the statement of profit or loss and other comprehensive income

	2018	2017
	\$	\$
<i>Expenses</i>		
Responsible Entity management fees - gross (i)	291,319	228,204
Expenses reimbursed (ii)	388,253	451,882
	679,572	680,086

ii. Balances recorded in the statement of financial position

	2018	2017
	\$	\$
Trade and other payables (i)(ii)	54,595	55,078

(i) The Responsible Entity is entitled to a management fee of 1.50% p.a. (plus GST less RITC) calculated on the monthly gross asset value of the Scheme.

(ii) The Responsible Entity incurs costs on behalf of the Scheme for which it is reimbursed in accordance with the Constitution.

Note 12 Related party transactions (continued)

(d) Related party investments held by the Scheme

The Scheme has no investment in the Responsible Entity or its associates (2017: nil).

(e) Key management personnel loan disclosures

The Scheme has not made, guaranteed or secured, directly or indirectly, any loans to the key management personnel or their personally related entities at any time during the reporting period.

(f) Other transactions within the Scheme

Apart from those details disclosed in this note, no Director has entered into a material contract with the Scheme from inception to the end of the financial year and there were no material contracts involving Directors' interests subsisting at year end.

Note 13 Financial risk management

Overview

The Scheme's assets principally consist of investments in cash. The Scheme previously also held loans secured by registered first mortgages over real property, however all such loans were realised during the 2015 financial year. It holds these investment assets at the discretion of the Responsible Entity in accordance with the Scheme's Constitution and PDS.

Specific financial risk exposures and management

The main risks the Scheme is exposed to through its financial instruments are credit risk, liquidity risk, operational risk and market risk relating to interest rate risk.

The nature and extent of the financial instruments employed by the Scheme are discussed below. This note presents information about the Scheme's exposure to each of the above risks, the Scheme's objectives, policies and processes for measuring and managing risk.

The Board of Directors of the Responsible Entity has overall responsibility for the establishment and oversight of the Scheme's risk management framework.

The Board is responsible for developing and monitoring the Scheme's risk management policies. The Responsible Entity's risk management policies are established to identify and analyse the risks faced by the Scheme, including those risks managed by the Responsible Entity, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Scheme's activities.

The Responsible Entity's Compliance Committee and its Audit, Compliance and Risk Management Committee oversees how management monitors compliance with the Scheme's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Scheme.

(a) Credit risk

Credit risk is the risk that a counterparty to a financial instrument will fail to discharge an obligation or commitment that it has entered into with the Scheme and cause a loss. The Responsible Entity manages the exposure to credit risk on an ongoing basis.

The carrying amount of the Scheme's financial assets represents the maximum credit exposure. The Scheme's maximum exposure to credit risk at the reporting date is as follows:

	Note	2018 \$	2017 \$
Financial assets			
Cash and cash equivalents	7	18,809,491	19,103,176
Trade and other receivables	8	3,722	7,135
Total financial assets		18,813,213	19,110,311

This risk is minimised by regularly reviewing the Scheme's trade and other receivables. The ageing of trade receivables at the reporting date are all current with no amounts past due or impaired.

Note 13 Financial risk management (continued)

(b) Liquidity risk

The tables below reflect an undiscounted contractual maturity analysis for financial liabilities.

	Carrying amount	Contractual cash flows	< 3 months	3-6 months	6-12 months
	\$	\$	\$	\$	\$
2018					
Financial liabilities					
Unitholder funds	17,547,674	17,547,674	-	-	17,547,674
Trade and other payables	1,265,539	1,265,539	1,265,539	-	-
	<u>18,813,213</u>	<u>18,813,213</u>	<u>1,265,539</u>	<u>-</u>	<u>17,547,674</u>
2017					
Financial liabilities					
Unitholder funds	17,738,521	17,738,521	-	-	17,738,521
Trade and other payables	1,371,790	1,371,790	1,371,790	-	-
	<u>19,110,311</u>	<u>19,110,311</u>	<u>1,371,790</u>	<u>-</u>	<u>17,738,521</u>

(c) Capital management

The Scheme's capital management strategy seeks to maximise the return of capital to unitholders through optimising the level and use of capital resources and the mix of debt funding.

The Scheme's capital management objectives aim to:

- ensure that the Scheme complies with capital and distribution requirements of its Constitution and PDS;
- and
- ensure sufficient capital resources to support the Scheme's operational requirements.

(d) Market risk

Market risk is the risk that changes in market prices, such as interest rates, will affect the Scheme's income or the value of its holdings of financial instruments. Market risk embodies the potential for both loss and gains. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return on risk.

The Scheme's objective was designed to provide investors with regular income from a pool of high yielding mortgage loans secured by registered first and second mortgages over real property and in certain circumstances collateral security. However given, amongst other things, the default by developers, the reduction in the market values and the inability to sell assets at reasonable prices, the Scheme was forced to suspend distributions to investors and subsequently commence liquidation of all Scheme assets in order to return capital to unitholders.

i. Interest rate risk

The Scheme has no financial liabilities as at 30 June 2018 (2017: nil) and therefore has no exposure to interest rate risk.

Interest rate sensitivity analysis

The Scheme's financial assets are subject to variable interest rates. The following table indicates the impact on how profit and equity values reported at the end of the financial year would have been affected by a 1.00% increase/decrease in interest rates during the year.

Pacific First Mortgage Fund
Notes to the financial statements
30 June 2018

Note 13 Financial risk management (continued)

(d) Market risk (continued)

	Profit / (loss)	Unitholder funds
	\$	\$
2018		
Financial assets*		
+1.00% in interest rates	189,563	189,563
-1.00% in interest rates	(189,563)	(189,563)
2017		
Financial assets*		
+1.00% in interest rates	191,032	191,032
-1.00% in interest rates	(191,032)	(191,032)

(e) Fair value estimation

The fair values of financial assets and liabilities approximate their carrying value. No financial assets or liabilities are readily traded on organised markets in standardised form.

The aggregate fair values and carrying amounts of financial assets and liabilities are disclosed in the statement of financial position and in the notes to the financial statements.

Note 14 Custodian of the Scheme

The Scheme's custodian is The Trust Company (Australia) Limited. The custodian holds title to the assets of the Scheme in its name on behalf of the Scheme. The total value of assets held by the custodian at cost as at 30 June 2018 totals \$18,813,213 (2017: \$19,110,311).

The custodian is entitled to an annual administration fee of \$15,000 (plus GST) (2017: \$15,000 (plus GST)), which is paid by the Scheme.

The relationship between the custodian and Responsible Entity is set out in the Custodial Agreement.

Note 15 Litigation and contingent liabilities

Claim against former directors and officers of City Pacific Limited

As detailed in the 30 June 2016 annual financial report and the subsequent 30 June 2017 annual financial report, the Responsible Entity has pursued a claim against former credit committee members and directors of the Former Responsible Entity, namely Messrs Sullivan, Swan, Donaldson and McCormick.

Following the decision of the court in favour of the Scheme on 18 December 2015, the Former Directors of City Pacific Limited lodged a Notice of Appeal on 16 March 2016.

The appeal was heard on 14-16 November 2016 before the Full Court of the Federal Court of Australia, comprising Chief Justice Allsop, Justice Farrell and Justice Gleeson. On 25 September 2017 the Court dismissed the appeal in favour of the Scheme. The Appellants (apart from McCormick) then sought leave to appeal to the High Court of Australia. That application for leave was ultimately refused by the High Court of Australia in favour of the Scheme.

Subsequent bankruptcy proceedings

Stephen McCormick (now a resident of New Zealand) is now bankrupt and his affairs are being administered by the Insolvency Trustees NZ. The date of the petition for bankruptcy was 24 October 2017 and the amount of the proof of debt lodged by the Scheme was \$70,814,202.

Thomas Swan is now bankrupt, and his affairs are being administered by Gerald Collins (BDO). The date of his administration was 3 April 2018 and the amount of the proof of debt lodged by the Scheme was \$17,480,240.

Pacific First Mortgage Fund
Notes to the financial statements
30 June 2018

Note 15 Litigation and contingent liabilities (continued)

The estate of Ian Donaldson (dec'd) is now bankrupt and his affairs are being administered by Gerald Collins (BDO). The date of his administration is 4 July 2018 and the amount of the proof of debt lodged by the Scheme was \$17,545,942.

Philip Sullivan is now bankrupt, following a creditors meeting on 19 September 2018 Messrs Jason Cronin and Terry van de Velde of SV Partners were appointed trustees of his estate. The trustees have indicated their intention to investigate certain transactions of the bankrupt for which the Scheme as major creditor will provide funding to assist. The date of his administration is 18 June 2018 and the amount of the proof of debt lodged by the Scheme was \$79,044,797.

Other proceedings

While the Responsible Entity has not been served with new proceedings during the year in relation to the Scheme, directors note that litigation may still arise, particularly from interests associated with former directors of City Pacific Limited and also former borrowers of the Scheme.

Note 16 Events subsequent to reporting date

Return of Capital

The Responsible Entity processed a return of capital to all ordinary unit holders who held units on 6 July 2018 in the amount of \$0.005 per unit.

Other than the item noted above and those described in the Litigation and contingent liabilities section below, there has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely, in the opinion of the Responsible Entity, to affect significantly the operations of the Scheme, the results of those operations, or the state of affairs of the Scheme, in future financial years.

**Pacific First Mortgage Fund
Directors' declaration**

In the opinion of the Directors of Trilogy Funds Management Limited (Responsible Entity), the Responsible Entity of Pacific First Mortgage Fund (Scheme):

- (a) The financial statements and notes, as set out on pages 7 to 21 are in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the Scheme's financial position as at 30 June 2018 and of its performance, for the financial year ended on that date; and
 - (ii) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001;
- (b) the financial report also complies with International Financial Reporting Standards as disclosed in Note 2; and
- (c) There are reasonable grounds to believe that the Scheme will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the Board of Directors of the Responsible Entity.

INDEPENDENT AUDITOR'S REPORT

To the unitholders of Pacific First Mortgage Fund

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Pacific First Mortgage Fund (the Registered Scheme), which comprises the statement of financial position as at 30 June 2018, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial report, including a summary of significant accounting policies, and the directors' declaration of Trilogy Funds Management Limited as Responsible Entity of Pacific First Mortgage Fund.

In our opinion the accompanying financial report of Pacific First Mortgage Fund, is in accordance with the *Corporations Act 2001*, including:

- (i) Giving a true and fair view of the Registered Scheme's financial position as at 30 June 2018 and of its financial performance for the year ended on that date; and
- (ii) Complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the Registered Scheme in accordance with the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Trilogy Funds Management Limited, as Responsible Entity of Pacific First Mortgage Fund, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter- Basis of preparation

We draw attention to matter set out in Note 2 of the financial report which indicates that the directors of the Responsible Entity will commence the wind up of the Registered Scheme once all standing consequences of litigation have been resolved. Accordingly, the financial report has been prepared on a wind up basis. Our opinion is not modified in respect of this matter.

Other information

The directors of Trilogy Funds Management Limited, as Responsible Entity of Pacific First Mortgage Fund, are responsible for the other information. The other information obtained at the date of this auditor's report is information included in the director's report, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the Financial Report

The directors of Trilogy Funds Management Limited, as responsible entity of Pacific First Mortgage Fund, are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Registered Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Registered Scheme or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (<http://www.auasb.gov.au/Home.aspx>) at: http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf

This description forms part of our auditor's report.
